Application Uploads Guide

Combine PDF

English

This free and easy to use online tool allows combining multiple PDF or images files into a single PDF document without having to install any software.

- 1 | Select up to 20 PDF files and images from your computer or drag them to the drop area.
- 2 | Drag-and-drop file blocks to change the order. When you are ready to proceed, click COMBINE button.

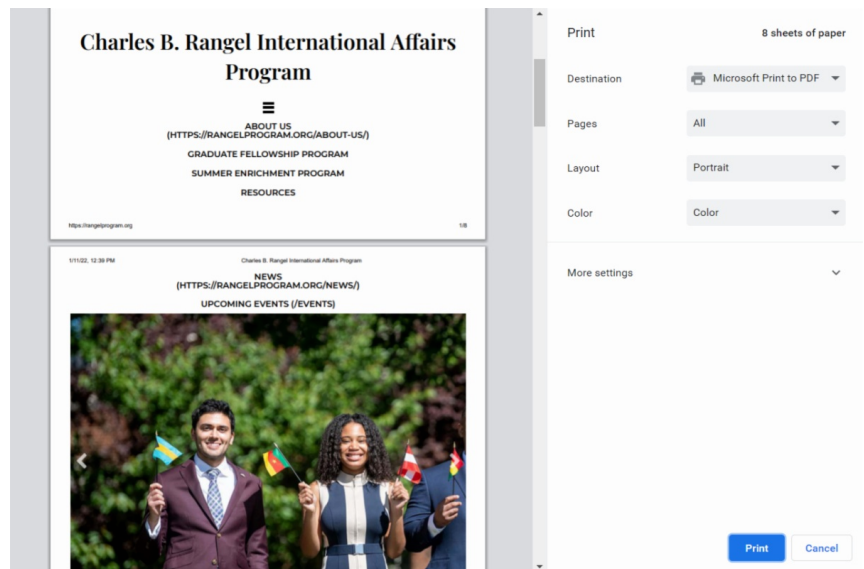

Combining PDFs

You may have to combine multiple files for your application. Search the web for "combine PDF" and select any of the several free web app to combine your PDFs.

Print to PDF

Although there is software to convert documents to PDF, a quick shortcut to do so is to 'Print to PDF'. To do this, print the document, select 'Print to PDF', and save the document.

Encrypted Transcripts

When you download your transcript, make sure it is not encrypted, or it will upload as a blank document. If it is encrypted, please use the 'Print to PDF' function to convert it to a PDF.

Naming your Application Uploads

Please save all files as your FirstNameLastNameDocumentType. For example, "CharlesRangelTranscript", "CharlesRangelPassport".
